AROUND THE WORLD IN A DAY

Malaysia

Turkey

Use these flashcards to find out information or fun facts about different countries. In the United States, we have people from all over the world because our country is called a melting pot. When you learn about people from other countries, it helps you understand people may bring some of their cultural traditions to the U.S. We can learn about these and embrace all the unique things about one another. Answer these questions:

Taiwan

Zimbabwe

1. What is the native language of the country?
2. What does the flag of the country look like?
3. What is the population of the country?
4. Take a moment to look up the healthcare system in some of the countries below. What type of healthcare do they offer their citizens? Is it Universal Healthcare, private pay healthcare? How is it different from the United States?
5. What is the culture of the country like? You can also pick a state or territory within the country instead.
